Branding

Colours

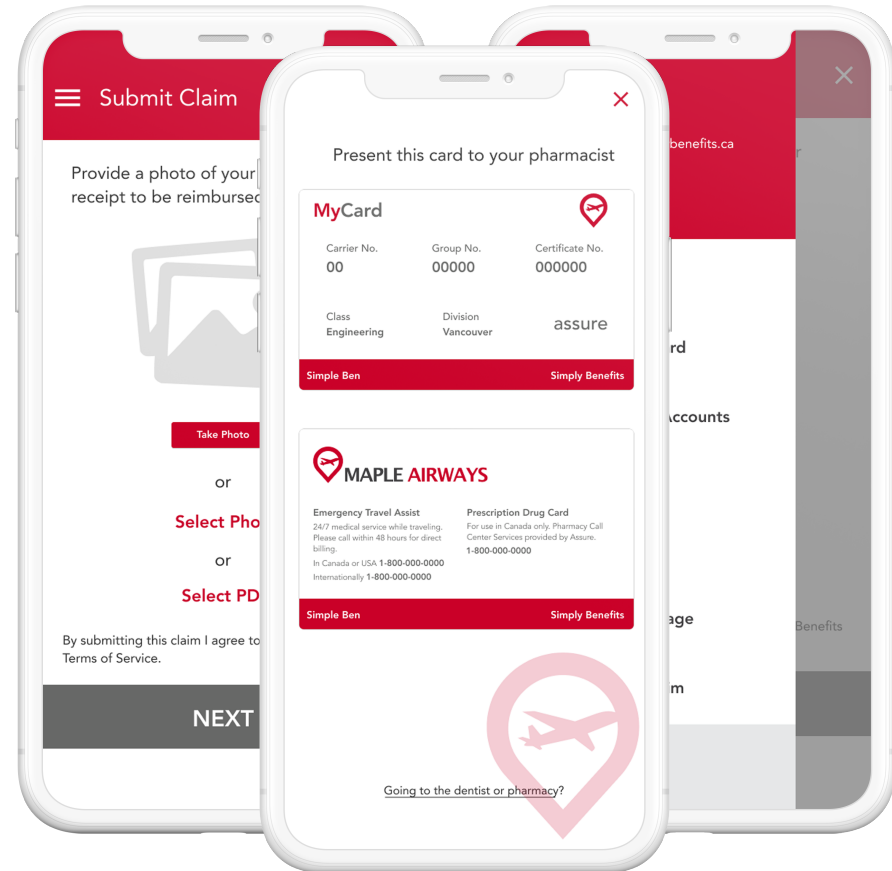

White label businesses will be able to customize their dashboard with their top three selected brand colours.

Logos

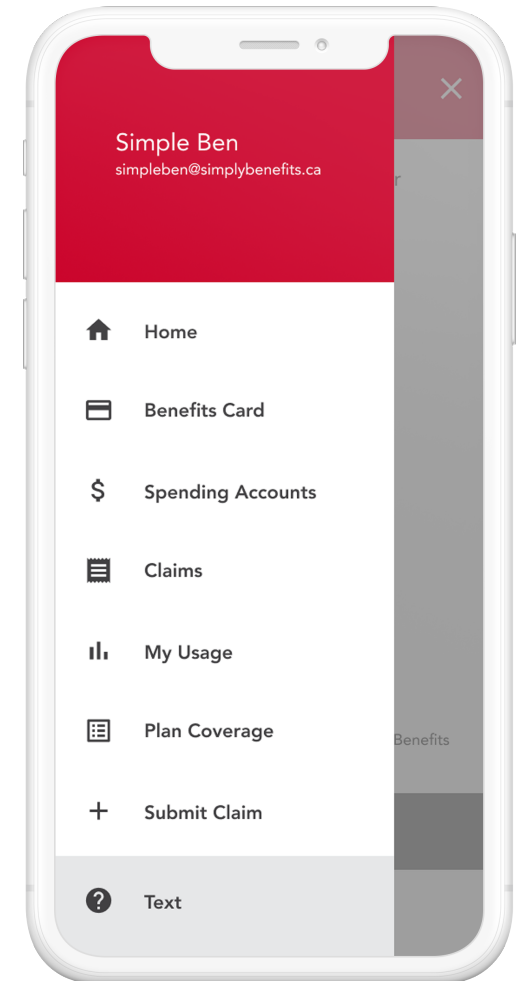

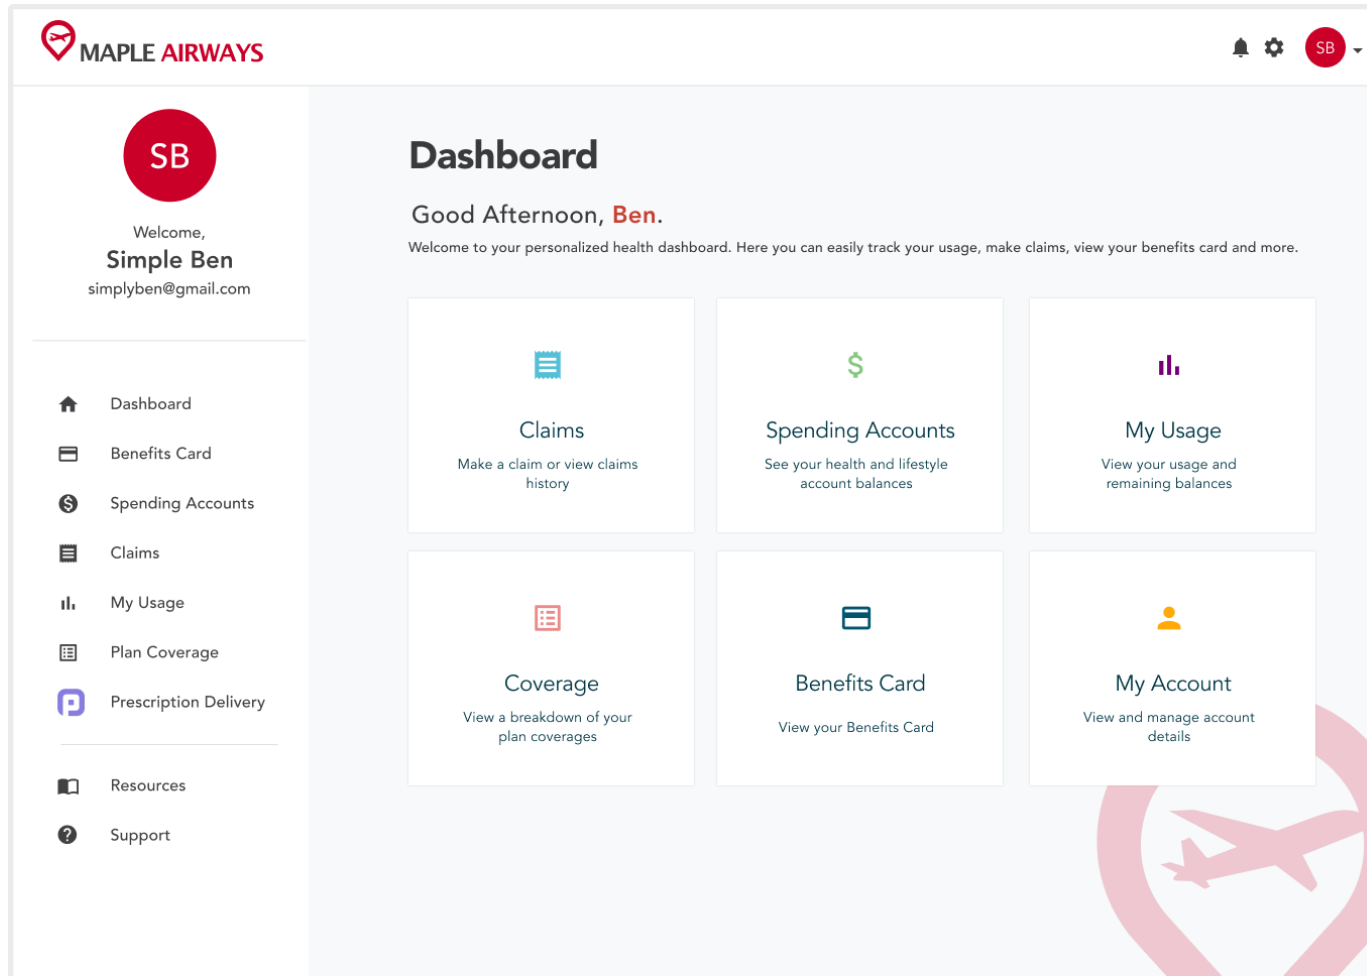

Logos and other brand assets will be added to each dashboard page as a watermark, and on the top navigation bar as well as the drug card.

Mobile App

Dashboard

The employee dashboard offers easy access to our member's favourite features. Here, employees can quickly navigate to the part of the platform that they need. Brand colours and logos are displayed throughout.

Claim History

Employees can easily monitor their claims history. Charts are displayed to show how much has been claimed. They'll also be able to view recent claims and check their status to see if they have been approved and paid.

The desktop dashboard features a sidebar with navigation options: Dashboard, Benefits Card, Spending Accounts, Claims, My Usage, Plan Coverage, Prescription Delivery, Resources, and Support. The main content area is titled 'Claims History' and includes a 'Submit Claim' button. A large circular progress indicator shows 'CLAIMED \$1,434.00 Submitted'. Below this is a table of total claims.

Type	Date	Identifier	Submitted	Status	Claimed
Ben Physiotherapy	Jan 1, 2021	0000000	\$64.98	Claimed	\$64.98
Ben Physiotherapy	Dec 13, 2020	1111111	\$64.98	Claimed	\$64.98

My Usage

Employees can review the usage for both themselves and their dependents on this dashboard. Here, they'll find information about where their benefits are being spent, how much they have left, and their usage from the previous year.

Plan Coverage

Say goodbye to paper booklets, employees can now quickly look up details about their coverage by reading the details in each section, or using our AI-powered lookup function.
