

Meet **PocketPills**.

Introducing Canada's leading online pharmacy. PocketPills offers cheaper medication, free home medication delivery, medication management for you and your family, and access to pharmacists on call at **no additional charge** to Simply Benefits members.

Why Choose PocketPills?

Top reasons to add PocketPills to your group plan.

**POCKETPILLS**

Pharmacy Just Got Easier

Save ~15% on drug costs

- ✓ Significantly lower drug costs through low pharmacy markups and a flat \$7 dispensing fee
- ✓ Sponsors are able to stabilize their annual health premiums and members save money on prescriptions

Excellent member experience

- ✓ PocketPills makes it easy to fill prescriptions from the comfort of home
- ✓ Medications are delivered **FREE** anywhere in Canada
- ✓ Automatic refills and over-the-phone prescription renewals are provided
- ✓ Pharmacists are standing by 7 days a week to answer questions or give advice via phone, text, email or live chat

Improve employee health

- ✓ Plan members can consult doctors over the phone through our telehealth services
- ✓ Medications come in presorted PocketPacks, organized by date and time to improve drug adherence
- ✓ With better access to medication, absenteeism and risk of disability are greatly reduced

Easy implementation

- ✓ PocketPills helps educate employees with turn-key emails, brochures, and webinars
- ✓ Enrollment is fast and easy -- it only takes a few seconds for plan
