

THE OPPORTUNITY

Northwest Gospel Church was planted in 1938 and is marked by gospel centrality, expository preaching, and reformed theology. What started as a house church with a desire to see the gospel change lives has turned into a truly

multi-generational family of around 1,200-1,500 people glorying God together every Sunday. The current leadership has been in place for just over a decade - a decade in which they've seen consistent and significant numeric and spiritual growth as a church family. Northwest Gospel Church is currently a part of the Acts 29 Church Planting Network.

At NGC, they sing in response to God's Word and His work in their lives. In the gatherings, music is used to glorify God and to teach/remind themselves and each other of the gospel.

Currently, Northwest Gospel Church is looking for a Music Minister to come alongside the Creative Team with the primary goal of equipping and leading those who are engaged in that work.

THE COMMUNITY

Northwest Gospel Church is located in what Wall Street Journal called the most Godless metro area in America. Vancouver, Washington is uniquely positioned in the north suburbs of Portland, Oregon, toeing the line of secular city and suburbia. While the region is marked by individualism and secularism, NGC has become a place to find absolute truth in true community. The metro area is home to about 2.5 million people, and their corner of the region is home to about 500,000.
