

DR ETIENNE VAN DER WALT

BSc, BMedSc, MBChB, MMed (Neurology)

Neurologist

Thought Leader & CEO at Neurozone®

Resilience & High Performance Expert

Internationally renowned

- Keynote Speaker
- Masterclass Teacher

Etienne is an accomplished neurologist with a special interest in psychoneuroimmunology and systems biology. Etienne's 14-year career as a clinical neurologist means he has a deep understanding of the anatomy, biology, and physiology of the brain and the human nervous system. For another decade, Etienne has been spearheading Neurozone®, a neuroscience business dedicated to the application of brain science and analytics to enhance true resilience and high performance capacity.

ETIENNE HAS A KEEN ABILITY
