

## CYCLONE CHAINS

*Accurately Hone Pipes Back to Near Original Condition*

Standard

Premium

Tornado

PVC

The Cyclone Chains are a great option for finish cleaning because they accurately hone the pipe back to near original condition.

The Cyclone Chains utilize centrifugal force to keep them centered inside the pipe which also provides extra protection for descaling cracked or damaged pipes.

The Cyclone chains are available in 4 versions: Standard, Premium, PVC, and Tornado and are also available for Robotic Cutters.

## USES AND BENEFITS

The Cyclone chains are available in 4 versions:

- **Standard** versions have carbide teeth that quickly clean the pipe – a great general purpose option.
- **Premium** versions features twice the carbide and surface contact area of the standard version, so they clean even faster and last longer since the carbide sees less wear per job.
- The **PVC** version foregoes carbide teeth, which makes it less aggressive and able to clean inside more fragile plastic and clay pipes.
- **Tornado** versions are for use exclusively with the Maxi Power+ and feature special, highly aggressive teeth for descaling, concrete removal, heavy tuberculate and debris in larger diameter pipes.

Cyclone Chain Technical Specifications	
Versions	Standard
	Premium
	PVC
	Tornado
Shaft Sizes	8mm (1/3")
	10mm
	12mm (1/2")
	19mm (3/4")
Pipe Size Range	DN70-300 (3-12")

## More Info/Guides/Technical Support:

- Visit [picoteinstitute.com](http://picoteinstitute.com) for e-learning courses, educational videos, quick guides, & manuals.
- For more information on products, spare parts, assembly and operation, consult the Grinding Chains Manual or contact Picote Technical Support.
- For hands-on product training, Picote operates training centers in USA, UK, and Finland.

## PRODUCTS & SPARE PARTS

Cyclone Chain - PVC Versions		Cyclone Chain - Premium Versions	
PN	Description	PN	Description
1381084070P	Cyclone PVC DN70 (3") for 8mm (½") shaft	1381084070U	Cyclone Premium DN70 (3") for 8mm (½") shaft
1381084075P	Cyclone PVC DN75 (3") for 8mm (½") shaft - USA	1381084075U	Cyclone Premium DN75 (3") for 8mm (½") shaft - USA
